This list is provided as a guide to assist you with identifying products that are clean and unclean. Some companies produce products that are both clean and unclean, so always READ THE LABEL! This list currently does not contain all products or companies, as this list will be an ongoing project, it will be updated on a regular basis. If you have any written documentation regarding a product please forward to the Israel of God Research Committee, so that it can be added to the list.

Thank-you, The Israel of God Research Committee
Again, **PLEASE READ ALL LABELS!**
